Koh Phangan We are more than your imagination!!!

Sight Seeing Trip / Half Day Tour

Koh Phangan is a unique and very special island in the gulf of Thailand. The Full Moon Party has brought the island global notoriety and it's a fantastic place to party, but Koh Phangan also has many other sides to amaze visitor.

The Island's cultural tradition goes back over 600 years to when the first monks settled here, building temples at sites that remain today. The jungle interior is still untouched in many areas and there is a magnificent variety of wide life to see including the giant monitor lizards and dears in the National Park.

Itinerary Program:

-  Start Trip from "Holiday Beach Resort" at 10:00am
-  Check the widest view point of Koh Phangan (Wok Tum Bay through Thongsala, Baan Tai, Baan Khai) and also the panoramic view point of Koh Samui at "Wat Khaow Tam" : Koh Phangan Meditation Center
-  Appreciate the tropical rain forest while enjoying little trekking at "Paeng Waterfall International Park"
-  Visit "Chinese Temple" and an incredible view point of Chaloklum Bay (Fisherman Village)
-  Take a little rest and do some swimming hiding from the heat at "Paradise Waterfall"
-  Let's check "Aow Hin Ngam" (stone beach) the secret beach which is not many tourist knew....
-  Take you time at "Koh Mha" the finest snorkeling point of the island which white sandy beach connecting 2 island together when the sea has low level
